 DEVELOPMENT BRANCH

To

N. Rama Rao, Esq., B.A., B.L.,

 Secretary to the Government of Mysore,
 Development Departments, Bangalore.

SIR,

I have the honor to forward herewith copy of letter No. 3527 dated the 5th January 1928 from the Superintendent of Sericulture requesting that Government may be moved to direct the provision of grants for the continuance of the temporary staff sanctioned from time to time to the Sericultural Section of this Department and to sanction grants to meet additional expenditure necessitated by the expansion of work in the section.

The grants required for the continuance of the temporary - - staff amount to Rs 11,220/-. The reasons for the continued employment of the staff have been fully explained in the letter of the Superintendent. The Superintendent proposes that the salary of the Accountant sanctioned from year to year for loan work may be raised by Rs 5/- and that his post be made permanent. He also suggests that the Post of the Sericultural Inspector for Seed Campaign work sanctioned from year to year may be made permanent. Both - these recommendations may be accepted as the services for which the posts are required are permanent features of the Department. It is also necessary that the Mechanic now attached partly to the - Filature and partly to the Department should be relieved of all - connection with the Filature so that he might have time to give - necessary assistance to owners of Domestic Reeling plants. A - - separate recommendation will be submitted in regard to the Mechanic

Mechanic required for the Filature. The other recommendations in respect to staff are all for purposes already approved by Government and the additional grants required may be sanctioned.

The additional allotments required by the Superintendent are as follows : -

Head of Grant	Present grant	Grant required	Extra Grant
1. Buildings & Repairs	500	1,500 ✓	1,000
2. Travelling allowance to Farm Establishment.	3,000	4,500 ✓	1,500
3. Contingency to Farms	1,000	1,500 ✓	500
4. Purchase of Seed Cocoons	3,500 3,000	10,000 ✓	3,500
5. Farm Buildings at Sidlaghatta	...	5,400	5,400
6. Improvement of Water supply to Farms	...	2,500 ✓	2,500
7. Scholarships	...	1,920	1,920
8. Demonstrations	...	1,000	1,000
9. Additional Farms	...	2,000	2,000
Total Rs	11,000	30,320	19,320

The Superintendent recommends that the allotments for the heads referred to above should be raised from Rs 11,000/- in 1926-1927 to Rs 30,320/-, of which Rs 12,820/- are for purposes for which no grants were made in the current year. I beg to submit the additional provisions for Buildings, Travelling allowances to Farm Establishment, and Contingencies are required so that development work already taken up may not be hampered and may be sanctioned. The grant for Rs 10,000/- for purchase of seed cocoons is absolutely necessary as the usefulness of the Department to the public is really judged by the output of the grainage. I would also recommend the grant of Rs 2,500/- for improving the water supply at the Chennapatna and Kolar Farms. The ---

C. Ranganatha Rao Sahib, Esq., B.A., B.L.,
Director of Industries and Commerce in Mysore,
B a n g a l o r e.

I have the honour to request you to kindly obtain sanction of Government for the continuance of the following temporary staff of my Department for periods noted against each and for providing necessary additional grants to meet the expenditure on the same in the Budgets of my Department from next year onwards.

Sanction may also be kindly obtained for increasing the Budget Grants under the Budget heads and for granting additional allotments under heads noted under (B) for reasons adduced against each.

I. Temporary Staff of the Office of the Superintendent of Sericulture.-

Additional Accountant for loan work on Rs 30/- per month was sanctioned for my office in G.O. No. I.C.3184-5/Seri.31-25-2 dated 11th November 1925 to maintain accounts connected with the grant of loans for sericultural improvement in the manner prescribed by the rules issued with G.O. No. I.C.1565-76/A&E.97-24-4 dated 4th September 1925. Since then this appointment is being continued from year to year after sanctions. The necessity for the continuance of this appointment in future years is evident owing to the fact that the loan work of the Department will be one of its perma-

nent

permanent functions. I therefore recommend that this appointment may kindly be made permanent and the pay of the appointment raised to Rs 35/-, as the work of the Accountant is a very important and responsible one. Cost in 1928-29 - Rs 420/-

2: Additional Accountant for the Accounts Section. on Rs 40/- per month. This appointment was sanctioned in G.O. No. D.8272-74/Seri.79-26-2 dated 28-3-1927 for two years 1927-28 and 1928-29. On account of heavy work in the accounts branch Government may kindly be moved to make necessary provision for the pay of the official during the next year's Budget of my Department. Cost in 1928-29. - Rs 480/-.

II. Executive Staff for Seed Campaign, Sericultural Cooperation, and Expansion. -

1. One Senior Sericultural Inspector for Seed Campaign Work on Rs 100/- per month. - This appointment was sanctioned temporarily in G.O. No. I.C.5790-2/A&E. 227-24-4 dated 27-2-25 for developing seed supply and aided grainages and is being continued from year to year. I recommend that the appointment may kindly be made permanent in view of the growing importance of seed work in the Department. Cost in 1928-29. - Rs 1200/-.

2. One Senior Sericultural Inspector for Sericultural Co-operation on Rs 100/- per month. - Sanction has been accorded in G.O. No. D.10846-8/Seri.121-26-2 dated 4/6th June 1927 to continue the appointment for 3 years, i.e., till the end of 1930. Government may kindly be requested to provide necessary funds for the pay of the official during the period of sanction. Cost in 1928-29. - Rs 1,200/-.

3. Staff for Expansion work in new areas. - Two 2nd Class Sericultural Inspectors on Rs 35/- each and 4 Sericultural Operatives on Rs 20/- each were sanctioned temporarily for the extension of Sericulture into the Districts of Kadur and Chitaldrug in G.O. No. I.C.2680-1/A&E.71-24 dated 14th October 1924. Since then these appointments are being continued from year to year. As this staff is necessary during the coming year also for work in new areas of Chitaldrug, Kadur and

Shimoga Districts, Government may kindly be moved to sanction their continuance during 1928-29 and to provide for necessary funds.

Cost in 1928-29. - Rs 1,800/-.

III. Extra Staff for the Development of Seed Campaign and Grainage Work.

Two Second Class Sericultural Inspectors on Rs 35/- each, 3 Grainage Clerks on Rs 25/- each, and 10 Sericultural Operatives on Rs 25/- each have been sanctioned for expansion of Departmental Grainages during the current year in G.O. No. D.50-1/Seri.17-27 dated 8-10-1927. Government may kindly be moved to continue the above staff during next year for continuing the expansion work begun this year and to provide for necessary funds.

Cost in 1928-29. - Rs 4,740/-.

IV. Staff for Reeling Section. -

1. Mechanic on Rs 75/- per month. - This appointment was sanctioned temporarily for a year in G.O. No. D.8440-2/Seri. 84-26-4 dated 1-4-1927 for looking after the Pumping Out-fits, the fitting up of and repairs to reeling machinery and the Refrigerating Plant. During the current year this official is working both in the Filature and the Sericultural Department and his pay is distributed to the two sections according to instructions conveyed in the G.O. quoted above. This official will hereafter be required wholly for work in General Sericultural Section on account of the large number of reeling installations which have come into existence, the care of the pumping out-fits and the installation of the Refrigerating Plant which is now on hand. A separate mechanic may therefore be appointed for the Filature and sanction of Government may be kindly obtained for the continuance of the appointment of the Mechanic in the General Sericultural Section. Cost in 1928-29 - Rs 900/-.

2. Two Reeling Demonstrators on Rs 20/- each per month for one year during the current year were sanctioned for demonstrating improved methods of reeling in G.O. No. D.7599/Seri.78-26-6 dated 10-3-1927. As this work is of great importance to the

future

future wellbeing of the Sericultural Industry in Mysore Government may kindly be moved to sanction the continuance of these appointments during the next year also.

Cost in 1928-29. - Rs 480/-

(B) 1. Buildings and Repairs. -

Amount sanctioned during the current year under this is Rs 500/- only. This amount is very inadequate. There are 4 Central Farms and they require white-washing and repairs, etc. from time to time. The cost of putting up temporary sheds, etc., for the convenience of Farm staff in Farms situated far from the town and repairs to the fencings of gardens, etc. will have to be met from this head. Therefore the Budget allotment under the head may kindly be raised to Rs 1,500/- for the next year. Extra cost in 1928-29. - Rs 1,000/-.

2. T.A. to Farm Establishments.

The allotment under this head during the current year is Rs 3,000/-. This amount is nearly exhausted during the first half of the current year. The touring staff of the Department has grown in number during recent years and much touring work will be necessary for efficient work of the Department. Propaganda work has to be done in new ~~XXXXXX~~ areas as well as in old ones and seed work has to be expanded. The Budget allotment under the head "T.A. to Farm Staff" may kindly be raised to Rs 4,500/- during the next year. Extra cost during 1928-29 Rs 1500/-

3. Contingencies to Farms.

Amount allotted under this head during the current year is Rs 1,000/- This is found inadequate owing to the growing work of the Department. The allotment under this head may kindly be raised to Rs 1,500/- during the next year.

Extra cost during 1928-29 - Rs 500

4. Purchase of seed cocoons. -

Amount allotted under this head during the current year is Rs 3,500/-. An additional allotment of Rs 3,000/- has been sanctioned under this head during the current year for ex-

pansion

expansion of grainage work as ordered in G.O. No. D.50-1/Seri. 17-27 dated 8th October 1927. The allotment under this head may kindly be raised to Rs 10,000/- during the year 1928-29 as the out-put of the grainages would then go up to nearly 10 lakhs of layings as proposed in this office letter No. 951 dated 22-8-27.

Extra cost during 1928-29. - Rs 3,500/-.

5. Farm Buildings at Sidlaghatta. -

The necessity for constructing a suitable Rearing House and a Grainage has been again and again placed before Government in previous years. On account of the facilities existing for the development of sericulture round about Sidlaghatta which is a very prominent sericultural centre. Government stated in letter No. 1.C.8501/Seri.83-25-2 of 10-6-1926 from the Secretary to Government, Medical and Agricultural Departments to the Offg. Director of Agriculture, that proposals might be sent up for the inclusion of this item in the Budget Estimates of 1928-29. As the proposed building at Sidlaghatta is very necessary for the proper development of Sericulture in the area I request that Government may kindly be moved to allot a sum of Rs 5,400/- for the purpose in the Budget Estimates of my Department for 1928-29.

Extra grant for 1928-29. - Rs 5,400/-

6. Amounts for improving irrigation facilities in the Farms at Channarayana and Kolar.

Deepening the existing wells in the two places and rivetting them with stones is absolutely necessary as the sides collapse every year and cause recurring expenditure for deepening the wells and to repair them. Even then the water supply from the wells will not be adequate during summer and portions of the gardens there are left unirrigated during summer. This prevents rearing operations being conducted adequately during summer months. Government may therefore be kindly moved to sanction an extra grant of Rs 2,500/- for repairing the two wells in the next year's budget of my Department.

Extra Grant during 1928-29. - Rs 2,500/-.

Scholarships

7. Scholarships. -

Government may kindly be moved to sanction the following grants under scholarships during 1928-29. -

- (a) 5 scholarships of Rs 10/- each per month for each of the four Central Farms - Kolar, Kunigal, Channarayana, and Mysore for six months. - Rs 1,200/-.
- (b) Two scholarships of Rs 30/- each for one year for training two Graduates in sericulture for providing adequate staff to the Department with General Education qualifications to hold responsible posts in the Department to cope with the growing work of the Department. - Rs 720/-.

Extra grant during 1928-29. - Rs 1,920/-.

8. For demonstrations and exhibitions. -

The importance of these is evident. The Department has been doing a good deal of work in this direction and requires funds. A lump sum of Rs 1,000/- may kindly be sanctioned for this during next year. Extra grant during 1928-29. - Rs 1000/-.

9. Starting Additional Demonstration Farms.

It is necessary to start ~~xxx~~ such Farms in important places in the Districts of Mysore, Bangalore, and Shimoga. The initial cost of planting about two acres of land in each place with mulberry and lease amount for the gardens will have to be met out of Departmental funds during next year. An additional allotment of Rs 2,000/- may therefore be kindly sanctioned in the Budget of 1928-29. Additional Grant during 1928-29. - Rs 2000/-.

I have the honour to be,

BRIEF ABSTRACT OF LETTER.

Recommend that Mr H. S. Govinda Rao may be
ordered to be treated as having been confirmed

date of his appointment as Seni. Probationer.

NOTES AND ORDERS.

1 On the authority of G. O. No. L. 5927-8 A.F.S.

appears to have taken Mr Govindarao as having
been confirmed as Senior Inspector per

14 As far as the designation was concerned, Mr. H. S. Gowinde Rao was appointed as a probationer on a pay of Rs 100 to rise to Rs 150/- after two years' approved service and as regards future prospects he was to be treated in the same manner as the probationers for the I & C. Depart^t.

15 Probationers in the I & C. Depart^t were started on a pay of Rs 100/- and after a period of two years were to be confirmed in a post carrying a pay of Rs 150/- as per G. O. d/ 2nd Jan 1917 para 3 (v) ^{and (vii)} and item 9 in the Annexure to this G. O.

16 Though the pay of Mr. Gowinde Rao was raised to Rs 150/- after two years' service, he was not formally confirmed in any post but continued as probationer till 3-4-1922 when Govt. approved the change in the designation to "Senior Inspector". But in the subsequent G. O. d/ 23rd 2/23, Govt. taking no note of this change, again designated him as "Inspector" raising the caste of Inspector.

it was distinctly stated at the time of his appointment as Prob. that his position was the same as that of the Industries and Commerce Prob. appointed under the general scheme.

I do not think it is necessary to decide the question now as to whether the probationary service of Mr. Gunda Rao counts or not towards his pension.

If the question should be pressed by him I would say that his service may be considered as commencing from Sept. 1920.

27 I think it is only fair that Mr. Govinda Rao should be permitted to count service for pension at least from 8th September 1919. It will be seen from the G.O. dated 14th September 1917 (flag X) that on the expiry of the period of scholarship allowed to him, this officer was given a pay of Rs 100 rising to Rs 150 after two years and assured of the same prospects as were allowed to the Probationers in the Department of Industries & Commerce. These latter Probationers were to be confirmed after two years' probation. Mr. Govinda Rao's training was completed on 7th September 1917 and he was entrusted with the duties of an office which was really that of a Senior Inspector though called ~~a~~ Probationer. In view of all the circumstances, it is reasonable to permit his service being reckoned towards pension from 8th September 1919 and if the Financial Secretary agrees with this view, orders accordingly may be issued.

SIR,

I have the honor to state that Mr. H.S. Govinda Rao, B.A., who was appointed as sericultural probationer on 9th September 1917 1927 was on confirmation put into the grade of 100-50/2-150 and posted as Sericultural Inspector. Government Order No. L.5927-28/A&E 186-21-7 dated the 20/22nd February 1923, which conveys this order does not specify clearly the date from which he is to be treated as confirmed as Senior Sericultural Inspector. Mr. Govinda Rao states that his period of probation has also to be counted as substantive service. A copy of his letter No. 3160 dated 17/19th December 1927 and a copy of its enclosure which he submits in support of his contention, are herewith submitted for the information of Government. The Comptroller on the other hand, refuses to admit this claim on the ground that in the Government order cited above, no mention is made about the date of his confirmation. He prays for the issue of a Government Order specifying the date from which he was confirmed in the Sericultural Department after the expiry of his probationary period. Under the above circumstances, I request that Mr. H.S. Govinda Rao may kindly be confirmed as senior Sericultural Inspector from the date of his appointment as probationer, and orders of Government on the matter, may kindly be obtained and communicated to me at an early date.

Sir,

I have the honor to state that Mr. H. S. Govinda Rao, B.A., who was appointed as sericultural probationer on 9th September 1927 was on confirmation put into the grade of 100-50/2-150 and posted as Sericultural Inspector. Government Order No. L.5927-28/A&E 186-21-7 dated the 20/22nd February 1923, which conveys this order does not specify clearly the date from which he is to be treated as confirmed as Senior Sericultural Inspector. A copy of his letter No. 3160 dated 17/19th December 1927 and a copy of its enclosure which he submits in support of his contention, are herewith submitted for the information of Government. The Comptroller on the other hand, refuses to admit this claim on the ground that in the Government order cited above, no mention is made about the date of his confirmation. He prays for the issue of a Government Order specifying the date from which he was confirmed in the Sericultural Department after the expiry of his probationary period. Under the above circumstances, I request that Mr. H. S. Govinda Rao may kindly be confirmed as senior Sericultural Inspector from the date of his appointment as probationer, and orders of Government on the matter, may kindly be obtained and communicated to me at an early date.

I have the honor to be,

Sir,

Your most obedient servant,

Ramanatha Rao
Director in charge.

Copy of letter No.3160/A1.19th December 1927 from the Superintendent of Sericulture, Mysore, to the Director of Industries, and Commerce in Mysore, Bangalore.

With reference to your letter No.D4.1706/27 dated 14th Dec 1927 requesting information regarding the date of my confirmation as Senior Sericultural Inspector as required in Comptroller's letter 323/GAD of 6th December 1927 to you, I have the honor to state that apart from the Government orders copies of which were submitted to this office No.2187 of 29-10-27 there are no other Government orders which specifically state the date of my confirmation after the expiry of the period of probation. I therefore request that Government may kindly be moved to issue orders confirming me as Senior Sericultural Inspector from the date of my appointment as Probationer viz. 9th September 1917; as the designation of Probationer was given to me not with the view of treating my service during the period probationary but with the object of treating my appointment as being distinct and separate from the appointments of Senior Inspectors which existed at that time (Vide copy of letter No.2721 of 20-4-22 from the Superintendent of Sericulture to the Director of Agriculture).

In this connection I have also to state that a similar trouble about the date of my confirmation as Superintendent of Sericulture may arise as G.O.No.D.1144-6/Seri.22-26-8 dated 27/28th July 1927 in the matter does not clearly specify the date of my confirmation nor has a Gazette Notification been issued in the matter.

I therefore request that Government may kindly be moved to issue orders clearly specifying the dates of my confirmation as Senior Sericultural Inspector and as Superintendent of Sericulture.

Letter No.2721 dated 20th April 1922 from the Superintendent of Sericulture in Mysore, Mysore to the Director of Agriculture in Mysore, Bangalore.

With reference to Revenue Secretary's letter No.5793/A&E 160-21-3 dated 3rd April 1922 to you that Messrs. H.S.Govinda Rao and K.Shamshuddin Khan might in future be designated "Senior Sericultural Inspectors" and not Sub Assistant Superintendents of Sericulture as suggested by me, I have the honor to state:

I advisedly proposed for the probationers a designation distinct from that of the Senior Inspectors with a view to avoid some difficulties that would arise from giving them the same designation.

The question of precedence as between the probationers and the Senior Inspectors remains open. I find it very difficult to decide who should be deemed entitled to precedence, the probationers have superior general education, but the senior inspectors have a longer record of good service. In technical work as in executive capacity, the two have proved equally good, and I would say they have equal claims to be appointed Assistant Superintendents. That is what made me think that the best course would be to keep the grades distinct, and give both equal chances of the Assistant Superintendents posts. The probationers would then in a sense be direct recruits to the grade of Assistant Superintendents in virtue of their educational qualifications, while the Senior Inspectors would be promoted to it in virtue of their approved service and knowledge of work. If the probationers are designated Senior Inspectors they would in the usual course, ^{take} ~~take~~ their places below the present Senior Inspectors, and their chances of promotion as Assistant Superintendents would have to be postponed to those of the latter. This was what I sought to avoid by giving them a distinctive designation.

If you agree with me, I request that you will move Government to give the probationers ~~a designation other than Senior Sericul-~~

Sericultural Inspectors. If "Sub Assistant Superintendent of culture" is cumbrous or inconvenient for any other reason, the -officers may be styled sub Superintendents of Sericultural sistants.

I give below for reference the dates of appointment of present Senior Inspectors as Senior Inspectors and of Messrs. H.S.Govinda Rao and K.Shamshuddin Khan as probationers:

Mr.V.M.Appadhorai Mudaliar	1 9 1911
